```

OUTPUT:

The screenshot shows a web browser with multiple tabs. The active tab is 'Online Shopping' at the URL '127.0.0.1:5000/userlogin'. The website has a header with 'OnlineSHOPPING' and navigation links for 'Home' and 'Order'. A large image of a gold watch is displayed. Below it, a section titled 'Your Personal Details' contains a table with the following data:

Name	Gender	Age	Email
soundarya	female	30	soundarya@gmail.co

At the bottom of the page, it says '© All rights reserved | Design by Online Shopping'. An overlay titled 'shopping Assistant' is visible on the right side. It has a 'SHOPPING' button and a 'FEEDBACK' button. Below these is a 'Select an option' dropdown menu with the following items: Topwear, Bottomwear, Dress, Innerwear, and Socks. A yellow circle highlights the 'Socks' option. At the bottom of the assistant, there is a text input field with the placeholder 'Type something...' and a search icon. An 'Activate Windows' watermark is also present at the bottom of the screen.
